

CIRCULAR FOR PARENTS

(Completion of Syllabus, Revision Schedule & Study Leave Information – Grades X & XII)

Dear Parents,

We are pleased to inform you that the entire syllabus for most subjects of Grades X and XII has been completed, and the remaining portions will be concluded by tomorrow, **20.11.2025**. Following this, **extensive revision sessions and chapter-wise tests/practice exercises** will begin.

You are hereby requested to ensure that your ward attends school regularly during this crucial period. Consistent attendance will greatly support their preparation for both the **Board Examination and the Pre-Board Examination**, offering them structured guidance and timely doubt-clearing from subject teachers—something that cannot be fully achieved through self-study at home.

Please note that **study leave will be observed from 4th to 7th December 2025**.

We look forward to your continued cooperation and support.

Kind Regards,

Dr. Arup Kr. Mukhopadhyay

Director, Royal Global School
