CIRCULAR FOR PARENTS

(Winter Uniform Compliance for Students)

Dear Parents,

With reference to Circular No. **RGS/DO/2025-26/0270**, we would like to remind parents that students must come to school in the proper **prescribed winter school uniform**. Please refer to the school handbook for detailed uniform guidelines.

Please note that the school has introduced a **prescribed muffler, scarf, and woollen beanie cap** as part of the winter uniform. Students who wish to use these items must ensure that they procure only the approved ones. **Mufflers, scarves, and beanie caps of different colours or shades will not be permitted** in the school.

We request your cooperation in ensuring uniformity and discipline.

Kind Regards,

Dr. Arup Kr. Mukhopadhyay

Director, Royal Global School
