

CIRCULAR FOR PARENTS

(Commencement of Practice Classes for Classes X & XII)

Dear Parents,

This is to inform you that the **practice classes for Class X and Class XII will commence from 16th January, 2026**. These sessions are being organized to support students in their final examination preparation and to help them perform better in their Board Examinations.

During these practice classes, **subject-wise tests will be conducted**. The **maximum marks for each test may vary from subject to subject**, depending on the nature and requirements of the paper. The **duration of each subject test will be between 40 to 60 minutes**.

To ensure that students are not overburdened and can maintain focus, **a maximum of two subjects will be covered in a single day**. During the month of **January, practice sessions will be conducted**, and from **February onwards, students will be given sample papers for practice**.

Parents are requested to ensure that their wards **attend these practice sessions regularly and take them seriously**. Your cooperation will help us guide the students effectively during this crucial phase of their academic journey.

Students are advised to **log in to Google Classroom using their login ID and password**. In case of any concerns regarding the Google platform or studies, please contact the **respective class teacher**.

We wish you all a **Happy Magh Bihu**.

Thank you for your continued support.

Warm regards,

Dr. Arup K Mukhopadhyay

Director
