Message from the Director

Dear Parents, Students and the school community

December is always a month of contrasts—of reflection and celebration, of goodbyes and beginnings—and this year was no exception at Royal Global School.

The month opened on an emotional note as 3rd December was our Grade 12 students' last working day before embarking on study leave for the mock examinations. It was a day filled with memories, laughter, and quiet moments of reflection. The students spent time at The Bageecha (Eco Park), penning their cherished memories of school life and placing them into a Memory Box, which was ceremoniously buried at the Eco Park—symbolising roots, belonging, and memories that will remain part of RGS forever.

One of the proudest moments of the month was the announcement that Vihaan Upadhya of Grade 10 was selected to participate in “Pariksha Pe Charcha”, interacting with the Honourable Prime Minister of India on managing examination-related stress and anxiety. This recognition reflects not only individual excellence but also our collective focus on student well-being and emotional resilience.

True to the spirit of service, our students, as part of the AFS Community Service Programme, volunteered at Sishu Kalyan Sadan, Sundarbari, contributing grains through the initiative “Mutthi Bhar Anaj”. A small gesture, yet deeply symbolic of empathy, gratitude, and social responsibility.

December also brought joy and colour to our campus through the arts. The Royal Symphony, the Primary School Concert, captivated parents and guests with a delightful dance-drama “Charlie’s Chocolate Dream”, an adaptation of Roald Dahl’s Charlie and the Chocolate Factory. The innocence, confidence, and creativity of our young learners reminded us why schools must always be spaces of wonder.

The most awaited celebration, Founder’s Day, showcased a powerful enactment of “Chanakya – The Kingmaker” and paid heartfelt tribute to the cultural icons Dr Bhupen Hazarika and Zubeen Garg, whose music and philosophy have shaped the soul of Assam. It was an evening that beautifully blended history, values, and cultural pride. As the festive season approached, the campus transformed—Christmas trees were

decorated, Santa's train arrived from his little town, and the air echoed with the warmth of Jingle Bells, spreading cheer and togetherness.

Before we dispersed for a well-deserved winter break, we marked a historic milestone—our first Alumni Meet. Alumni from the batches of 2015 to 2025 returned to their alma mater to reconnect with friends, teachers, and memories. Watching them walk the corridors once again was a poignant reminder that while students may leave the campus, the school never leaves them.

As I reflected on the month and the Christmas season, one thought stayed with me—the principle of forgiveness, central to the teachings of Jesus Christ. Christmas is not merely a celebration of a birth, but a reminder to live by values of compassion, humility, and forgiveness. As educators and parents, our responsibility extends beyond academics; we must consciously help our children grow into humane, forgiving, and larger-hearted individuals.

December, in its fullness, reminded us that education is about memories as much as milestones, values as much as victories, and people as much as performance.

Wishing the entire Royal Global School community peace, reflection, and renewed purpose as we step into the New Year.

Wish you all a very promising 2026 full of joy, happiness and progress.

Warm regards,

Dr. Arup Kumar Mukhopadhyay

Director

A Canvas of Goodbyes: The Final Day of Class 12

Zaveri Tahsin, Grade 12B (Humanities)

The last day of school on 3 December 2025 for the Class 12 students of Royal Global School was a beautiful blend of joy, nostalgia, and celebration. The campus echoed with laughter and excitement as students arrived with colourful markers and memo books, ready to create memories they would cherish for a lifetime. Shirt writing became the highlight of the morning—friends and classmates penned messages, doodles, and inside jokes on each other's uniforms, turning every shirt into a canvas of unforgettable moments. Face painting added to the cheer, as students proudly displayed symbols, names, and quirky designs that reflected their unique bonds and personalities.

Throughout the day, students also clicked countless pictures with their teachers, capturing every smile and moment of warmth. Groups gathered to record videos, and every stream proudly shouted “signing out,” echoing the bittersweet excitement of stepping into a new chapter. Adding to the emotion, everyone came together for hand painting on a board—a collective artwork that will remain as a cherished memory of the batch's unity and spirit.

Adding to the emotional warmth of the day, the Class 11 students prepared special gifts for their seniors. Each gift carried a personalised message, written with love and admiration, wishing the Class 12 students success and happiness in the years ahead. It was a touching gesture that emphasized the spirit of togetherness and continuity within the school.

As the day drew to a close, the air was filled with sentiments of gratitude and affection. Smiles mixed with teary eyes, and hugs conveyed what words couldn't express. The last day marked not just an ending, but a celebration of friendships, growth, and precious school memories.

On 8, December, 2025, at 9:00 a.m., a systematic health assessment was conducted for all the classes at Royal Global School, Guwahati. We were escorted to the designated area in an orderly manner, where teachers and trained staff guided each student through the process.

Savvy Speakers of RGS: Connecting Ideas, Creating Stories

To applaud, encourage, and motivate our young speakers, we honour our children with badges for outstanding performances, proudly titled Savvy Speakers.
