CIRCULAR FOR PARENTS
(Support for Flood Relief Initiative)

Dear Parents,

Greetings from Royal Global School!

The recent floods in Upper Assam have caused widespread devastation, affecting thousands of families and leaving many without access to basic necessities. As a school that believes in nurturing compassionate, socially responsible, and empathetic citizens, we have always encouraged our students to stand by those in need during times of crisis.

In this spirit, **Royal Global School**, in collaboration with our **Social Outreach Club- Utsarga**, is launching a **Flood Relief Drive** to extend support to the flood-affected people of Upper Assam.

We earnestly request you to encourage your child to participate in this noble initiative by **voluntarily sacrificing the cost of one meal or contributing a small portion of their pocket money**. While the contribution may seem modest, every act of kindness, when combined with many others, has the power to make a significant difference in the lives of those who are struggling.

To facilitate this initiative, we request you to **kindly click on the link provided below** and submit your consent **latest by 30th July, 2026**. Upon receiving your approval, the amount will be **deducted from your ward's Imprest Account**.

The funds collected will be utilized by the members of **Utsarga Club** to procure essential relief materials such as food items, drinking water, clothing, toiletries, and other daily necessities. The student members, under the guidance of the school, will travel to the flood-affected areas of Upper Assam to personally distribute these relief materials among the affected families.

We sincerely hope that you will support us in this meaningful endeavour and help instil in our children the importance of giving back to society. We thank you for your continued trust, cooperation, and support.

With warm regards,

Ms. Mahua G. Kanungoe
